OFF MY CHEST

Editor's Notes

Hello, hello, it's titty time again. Boobs are definitely two of my most favorite things. That's what makes this job such a "labor of love". Rhiannon finds 'em, I shoot 'em and bring 'em to you. For me, there's nothing like getting some new big-titter in front of my camera for the first time – well, almost nothing, actually fucking these newbies would be better – but I digress. Anyway, Looking through the lense at a brand new discovery is pretty sweet. **Hailey Heart** is just such a girl. Gent brings her to you in her virgin pictorial. You'll have to agree, that she's quite a find. Look at that beautiful face! Your dick is hard before your eyes even drift down to the smokin' rack, and than it's all over. And speaking of penile eruptions, **Puma Swede** does tend to bring out the best in most guys. Just look at the lucky stiff who gets to part her sweet lips. Long legs, blonde hair and bulging boobs make her a great addition to any fantasy. Another monster discovery this issue is **Ctexins Chelle**. I don't really understand the first name, but with tits like that, who gives a shit? I am drippingly happy to have her in these pages. Two of my favorites from a few issues back are **Elle Cee** and **Alex Monroe**. As much as I got off on them separately, I'm really grooving on the two of them together. Shooting that scene took a while, because they were so into each other, I had to keep telling them to slow down. Another model who has only been seen in the pages of Gent is the bodacious **Hannah**. With her baby doll looks and sweater popping breasts, she is truly a wet dream cum true. This month's cover girl sports a pair of the nicest hooters in porndom these days. **Bunny** is new to the industry and we had her first a few issues back. Well, I'm proud to give you another up-close look at why she's in such demand. **Roxy** and **Jennah** are two Gent discoveries from issues past, but they're here together to give you guys an opportunity to get a two-for-one. You can't beat that – well, I guess you can beat it. For you MILF lovers we have **Dawn**. She's offering up her pussy and her boobs for your inspection. **Kayla Cupcakes** takes a cock as well as anybody and is ever so happy to do it. Her tits are perfect for wrapping around your salami and her face is just begging to be splooged. Wrapping up this breast-engorged issue is the incomparable **Lexi Tyler**. I have to say that this chick is pretty damn close to busty perfection. She's unbelievably "slim and stacked" with a beautiful face, a perfect ass and big tits. What more could you ask for? While those are the girls in the pictorials, that's far from all we have to offer. As with every issue of Gent, we have sex Goddess **Amber FoXXX**, doing what she does best in FoXXX On The Run. She loves 'em big and she loves 'em dark! Speaking of dark, **Rhiannon** goes over to the dark side in Breast Of Times. She has spent many a night perusing her dungeon seducing innocent females to delve between her spread thighs to dine on her sweet slit. She relates one such night for you. In The News Rack, Steve Nelson brings you the latest and greatest in the world of porn star boobs. This month he's talking to Gent favorites **Nikki Jackson** and **Kitty Lynxxx**. He also was lucky enough to be invited to the premier of Starr Productions' Rock 'N Porn. **Summer Cummings**, **Crystal Starr**, **Elizabeth Starr** and **Kandi Cox** were just a few of the big-boobers he got to rock the night away with. Confessions Of A Big Tit Porn Slut features past Gent cover model Crystal getting down and dirty...and loving every inch of it. That should give you more than enough to "get your motor runnin'", but there is so much more. Gent brings you the breast in all things tit each and every month and this month is no exception. Hey, what can I say... It's All About The Boobs?!

TALE OF TWO TITTIES...

Dear Editor,

I just received the August 2008 issue in the mail. As soon as I pulled it from the envelope, I knew that I was in for a very good night of "reading". Gabriella Michaels is so freaking hot that I was barely able to get past the cover without shooting a load. Her face is beautiful and her tits are perfection. And to top it all off; she looks like she loves the cock too!

Before I even got to her, I opened to the first layout featuring Sara Stone. What's not to love? Great tits, sexy face, smoking ass and a nice trim little body. It might be love!

That merely got me into the first few pages. Needless to say, it was everything I expected and so much more. When I finally did get to Gabriella, I spent a good amount of time there and never seemed to get to the rest of the magazine. By the time I fished spanking out a big load, I was much too tired for any more.

Tonight I will try to get to the rest of the girls, but it may be tough to get past Gabriella again.

Thanks for the mammories.

Andrew Oldham
Kent, England

Dear Andrew,

That sounds like one of my nights when I was trying to put the issue together. That Gabriella is something!

Anton Fury

Dear Amber,

I love your column each month. I met you once at a party in Chicago. About 2 minutes after we met, my cock was deep in your throat. It was the hottest blowjob I had ever gotten.

Just before I blew, you pulled me out of your mouth and dragged me over on top of you. I fell forward with nothing but your incredible big tits to break my fall At the same time my cock jumped right into your sweet pussy. As wonderful as your mouth was, your pussy is even better.

I started fucking you pretty hard and fast. I think you were enjoying it, because you started cooing, making this sound that just made my balls start churning. It was so fucking hot, that I wasn't able to hold on for very long. Just as I was about to come I pulled out and wrapped my hand around my dick. I planned on shooting on your wonderful tits, but you weren't going to stand for that. You pulled my cock right into your mouth and swallowed every shot.

You are the hottest honey I've ever had the pleasure to stick my dick into. When I read in your column that you fuck fans, I really didn't believe it. Well, I'm a voucher. It was a dream cum true. I just wanted tell all the Gent readers that you are the real deal.

Amber

Dear Gent,

I've got a new girlfriend. She just turned 18 and she is horny as Hell. She can't get enough of my big cock. I'm 26 and have always been pretty good with the ladies. I met her a couple days ago, when I stopped at a fast food restaurant. As soon as I spotted her, I knew that I'd be fucking her later that night. The way she looked at me when I placed my order, I figured she'd be easy to get to my apartment.

I asked her what time she got off. When she told me 8 o'clock, I told her I'd be there to pick her up. I know, I know, that was pretty aggressive, but she just smiled and said, "See you then."

As soon as she got in my car, I leaned over and squeezed one of her 18 year old, natural titties. When she didn't resist, I just pointed my car towards my apartment. As soon as we got in the door, she dropped to her knees and fished out my hard dick. She may have been young, but she swallowed it like a pro.

I took her head in both my hands and proceeded to fuck her face. She didn't even choke, as my balls slapped her chin. As I pulled my cock almost all the way out and then slammed it back in, I was getting close to shooting a load of cock-snot down her throat. I had bigger plans for her, so I pulled out and led her over to the bed. I put her on all fours and moved up behind her, placing the head of my straining meat-stick to her well-lubed cunt. I eased the head between her silky lips and felt them part, welcoming the intrusion.

As I leaned forward those tight lips opened and stretched around my thick rod. With my hands on her hips, I pulled her back until my cock was buried in her dick holder.

A moan escaped her as I bottomed out and then began to pick up the pace. I squeezed her tight hips in my hands and pulled her back to fill her pussy. Her hips slammed against mine as I fucked her harder and harder. She was now screaming as she was impaled on my lance, but I had no intention of letting up. Her D-cups were slapping her chin on every thrust.

Her tight 18 year old twat was doing all it could to suck a big, creamy load from me and it was definitely working. My ball-butter was starting to churn more and more on each stroke. I pulled her back with all the force I could muster, my aching balls smacking her clit. She was screaming so loud now, that I knew the neighbors could hear, but I made no effort to quiet her down. I just kept fucking her, faster and faster, harder and harder.

Just as the first bolt of boy-juice was snaking it's way up my shaft, she screamed out, "I'm fucking cumming! Ahhhhhh!"

My cream blasted the back of her cunt. Shot after shot followed until the goo was squishing out around my steely shaft. She kept with me as we both came for what seemed like 5 minutes. Once I finally stopped, I pulled my cock free and fell back onto the bed, breathing deeply.

She immediately dove for my shrinking cock and swallowed it down. She licked and sucked until I was at full staff again and then we started over. That night we fucked until well after midnight. And she's been over every night since, totally worshipping my dick.

AMBER FOXXX IS OUR RESIDENT BIG-TIT ABOUT TOWN. SHE HAS NEVER MET A COCK SHE WON'T SUCK OR A PUSSY SHE WON'T LICK.

Foxxx on the Run

SHE IS A TRUE "NO HOLES BARRED" GIRL WHO LIVES FOR SEX. ALL HER DIRTY LITTLE SECRETS ARE X-POSED FOR YOU RIGHT HERE, EACH MONTH.

PHOTOS BY BIG DICK JOHNSON

There is something to be said about having a couple guys that are a really good fucks on call whenever I am traveling to a familiar city, and Marcus is one of those guys. I first met him a couple years ago at a swinger's club, and every time I get close, I give him a call to come scratch that familiar itch that only his cock can reach.

I am definitely not saying size is everything, because it's not – I love all shapes and sizes of cocks, and every one of them hits me in that good spot and gets me off, but Marcus does happen to have one of the bigger cocks I have come across. It's not the size though; it's the chemistry between us and how he uses that hunk of meat to satisfy me!

The last time we met up he wasn't expecting me, but I gave him a call at work and asked him to come by when he got done. I knew I was in for a great time when he said he was going to take off early! I quickly got myself ready and waited in anticipation of his arrival. I made sure I dressed up in something very sexy, as I always do when I plan to meet someone, since unwrapping the package can be a huge part of the fun!

To my delight, Marcus knocked on my door a full hour before I expected him and he came in with that oh so wonderful bulge in his pants growing ever bigger by the minute, so I wasted no time in dropping to my knees and opening my favorite kind of present! His growing member dropped out of his pants right to my mouth, and I eagerly swallowed it down my throat. I could feel the pulsing head way

back at my tonsils, and I forced my head forward to take it even deeper.

Marcus is usually a very gentle lover, but today I was in no mood for sweet loving, so I took my mouth off his meat just long enough to tell him to fuck my face like he would my cunt. I opened my mouth wide and relaxed my throat as he took my words to heart, grabbed the back of my head, and slammed his dick down my throat. I gagged and coughed as he poked down my throat, and I was loving every minute of it. Every few strokes he would pull back to let me get air, but I just spit on his dick and forced my own head back down.

I sucked his long dong down my gullet as far as I could, and he pushed on the back of my head to get me just a little further, making me a very happy and used girl, my throat getting tenderized by that flesh hammer. I fell back, out of breath, but with an intense desire to feel that cock impale my dripping pussy. I pushed him back on the couch and hopped on top, my slippery tunnel taking in every one of his 10 inches. He fucked me from underneath, hitting that perfect spot in my pussy time and again while I diddled with my clit. I came to a screaming orgasm within seconds of being split apart, feeling my pussy walls shiver and shake around his fat cock.

I rode up and down his pole, dripping my juices around him, feeling my snatch get wetter with every motion. I just love it when I get good dick to ride – there is no such thing as having too many different shapes and sizes around! I dropped down a couple more times, feeling him hit the bottom of my cunt, then pulled up and off so I could turn around and

suck my own nectar off of his throbbing cock. I looked up into his eyes as I was cleaning his knob, and his face lit up as he told me to get down on my hands and knees.

I love getting told what to do, so with that command I fell into position and he stood over me, admiring my gaping hole before driving back into my pussy. My warm and waiting pussy gladly accepted him back in, and as he stood over me, driving his dick downward, it felt like he was hitting even deeper than before! It was almost a painful sensation, but it was a good kind of pain that I got off on. Even though I was enjoying myself, I found myself crawling forward just a little out of pure animal instinct. I was in heaven as the mixture of pleasure and pain took over my body and I shook and convulsed wildly with a huge orgasm.

Just as I was hitting the peak of my cumming, Marcus drove forward with one last strong motion and filled me up with his own juices. I pushed back, determined to milk his cock dry, I didn't want to leave one drop! He pulled out, leaving his seed dripping from my pussy, and I sat back, letting it flow down my legs. I reached down and grabbed a handful of his cream and brought it to my mouth.

I thought about what a yummy treat I had gotten as I watched my fuck-friend get dressed and leave. We never hang out much, but we both get what we need!

Keep on cumming!

Breast Of Times

My world is filled with many people from all walks of life. Just because I am in the adult entertainment industry does not mean all of my friends are from the same business. I have, unbelievably so, maintained a very good relationship with a wonderful friend from LA, that I honestly only met, physically, one time. He is from the broadcast news industry. Obviously, quite different from my world. He is a "normal" guy. He goes to work everyday for eight hours, has paid vacation days, gets overtime and actually has a "real" life. He is great. I adore him. I know he feels the same because we **ALWAYS** find time for each other. I know it is only on the phone but, never underestimate the power of a phone call. Especially when you are lonely at night. I know, I have my choice of cock anytime I choose, but, there is nothing like familiarity. He really "gets" me. He loves to be inside my head. Who would have thought that a guy would want to be inside my head, when a chick as hot as me sports a steamy, smoking, fucking, hot pussy. But again, he is special, he is my friend. And **ONLY** he is allowed to be in all of my "private parts".

23481, 24159

And here is where the connection lies. I am actually on the phone with him now and we are writing my column, for you, together.

He met me many years ago when I actually allowed fans to call. I have since, disconnected my phone because of the onslaught of calls. It rang so much that I could have spent 24 hours a day on the phone. It was crazy. It used to drive me nuts hearing all of the messages. They were always the same; "I want to fuck you between your big fucking tits". After a while I really grew bored of these messages. Intrigue me. Give me some fresh material. I need stimulation. I need something that will make my pussy drip. I want to feel my juices rolling down my thighs.

A word to the wise, a chick like me has heard it all the time. You must give your favorite "porn star" something interesting and creative. Hello???? Have you looked at me??? Do you think your standard lines will work on me? Do you think vanilla would turn me on? I have seen it, I have thought it, and I have done it all before.

Ok, so my friend from LA calls me as a "fan". He intrigues me. There was something about him I really wanted to know. And trust me, this can happen if you approach me the right way. He knew what would work. Now I call that experience. He knows how to treat a woman. He supported me in my latest venture at the time, which was "The Exotica Show" in NYC. I did do the show, with his support. The show was very successful for me. I landed radio and TV spots from the show. He was right. And I was hot for him. I love "smart". And from that moment on, he had me hooked. And I knew he was ripe for the picking. "Like taking candy from a baby". His dick was hard from the moment I opened my mouth.

We talk for hours a day and his dick is always hard. And you may ask, "how do you know", because I ask. I would be very insulted if his prick did not stand at attention when I speak. All cocks shall rise when I walk into the room. And the coolest thing about him is, I know how much he wants to fuck me. I use this all the time. Knowing how strong I am, like we always agree upon, there is no force stronger then the "power of pussy".

So, I will now give you entry to my relationship with my best, bosom, buddy of all time from his perspective.

We chat on the phone when both our hormones are raging. He loves to talk me to sleep, but

he knows me best because I only sleep after a good cumming. So we "fuck" together on the phone, his hand on his cock, my finger on my clit, and we are ready to go. His voice is so soothing and confident, as he tells me how much he wants to slam me in the ass with his huge rod. While he is talking, he strokes his cock furiously as I rub my pussy raw. My juices are running rampant; oh how I want to suck his man meat dry. I long to fuck him and fuck him hard. I tell him I will never disappoint him because I know what a real man needs. I want to sit on his face and glide my wet, moist pussy lips until I spray down his throat. I take his pulsating stick down my throat until it hits my tonsils, rubbing the roof of my mouth until it bleeds cream. I love to skull-fuck his raging lead pipe until I cry, "I command you to fuck my cunt, you piece of shit". He insists I pucker up and use my silicone-filled, thick, red, luscious, blowjob lips to swallow his throbbing shaft.

He sees the beautiful inviting lips of my pussy opened wide. He mounts me, in my favorite position, from behind. He spreads the cheeks of my ass, while driving his angry member deep inside my spewing slit. He fucks me like a mad dog, commingling our sweat and fluids. I can feel his cock getting even harder as I ride it like a dog in heat. I am dying to explode while he howls at my moon. I want him to cum inside me, but he insists on blowing his load on my face, so I can suck it up. He is accommodating in the fact that he feels my tension; that I'm about to implode. I ride his joystick until I feel my walls tightening, I am at the edge. I explode with thunder cracking between my legs. I shoot creamy pussy juice all over his throbbing hard-on. He sucks the juice off our sheets while I jump down to finish him off. I drive his throbbing cock down my throat. He spews his pre-cock juice from the tip of his dick. I pound his stiffy down my gullet. He holds my head in place; pounding his male-pride with his family jewels slapping me on my chin. I feel his body tense-up, he is ready to blow a load down my wanton throat. I welcome his jism. At that very moment, he fires the most incredible, gooey, sticky, white glue that I have ever seen or tasted from the tips of his toes. Now that's a man who really, really, really, wants to fuck me in every hole.

An Udder Delight!

WRITTEN BY R.U. HORNIETTE **ILLUSTRATION BY** AARON WARNER

I'd been laying there in the hay for maybe an hour, listening to the rain, thinking of how much this was just like the old joke about the farmer who let the guy stay in his barn when his car breaks down on a stormy night. Except I couldn't remember the punch line.

So when the long legged blonde with the watermelon bossom slid through the cracked barn door I nearly started laughing. How could this possibly get any more cliché?

"Are you the fella with the broken down truck?" she asked as she settled for a seat next to me in the soft hay. "I brought you some coffee in case…" I just watched her massive cleavage grow longer as she got comfortable, her two big breasts squishing together in a struggle to get a better look at me through the opening at the top of her faded flannel shirt, or so it seemed, as I failed to hear anything else she said. I'd forgotten how funny this was and began to realize this was one of those weird moments you don't look a gift horse in the mouth, as they say, by trying to figure out what was happening, and instead make the most of it. I just wish I could remember the punch line. Did the farmer tell the guy not to touch his daughter? Or did he cut his dick off when he did? I'm sure it was something like that but she had already opened my jeans and was stroking my stiffening meat as she moved her hair out of her face.

I stopped watching out the cracked-open barn door for any signs of the old man and enjoyed the long, slow pull of her tight, little mouth up and down my rigid shaft. She fondled my balls and went all the way down as the moonlight lit her skin in a heavenly glow. Her hand stroked my cock as she slurped the thick, puffy head in and out of her lips, pausing to lick the tip and tongue the tight hole before easing all the way down to the base again and nuzzling my hairy balls with her chin.

"Mmmm," she popped my cock and slid all the way down again. "Mmmm, taste good… mmmaw…mmmaw…pop!"

She was on her knees and straightened up to slide out of the flannel shirt and into my open hands. I groped her huge rack and watched her gigantic tits roll and move in my gripping fingers. Easily the biggest boobs I had ever felt at three times the size of her own head. I pinched and pulled her sausage-sized nipples until they were hard and mashed the big bags of flesh together in an expanding mass of boobies with cleavage so long and tight I just wanted to fuck it and spray gallons of spunk all over the incredible mounds.

She threw each leg around me and lowered her chest to my anxious erection, squeezing her monstrous titties around my stretched hard-on and moving the heavy melons up and down the length of my manhood. She looked up at me, pleased to see me so fucking hard, and then dropped her face to engulf my penis and suck on it like a fat hot dog filled with her favorite candy.

I had as much as I could take of her slow and teasing titty-fucking and asked her if she wanted me.

"I want you to fuck my pussy," she answered, pulling down her jean cut-offs and arranging herself so she was on all fours with her juicy ass right in front of my face and her elbows in the hay. Offering her pussy and ass to me in exchange for fucking her good. "Stick your big dick in my pussy. I'm so ready for you. Fuck me good. I want your cock, you fucker." She didn't even know my name.

I got to my knees and eased my raging boner slowly into her wet twat. I slid in easy and glided inside the walls of her tight box. She pushed back into me and said some more things but her big tits muffled her voice and all I could hear was the slurping and smacking of her wet pussy drawing on my cock as it rammed her deep. I gripped her ripe hips and spread her ass cheeks apart so I could watch her bung hole open and close with each stroke of our fucking.

I wanted to go deeper and hear her scream from behind those enormous jugs so I stood, lifting her with me so her legs on each side of my hips flailed in the air as I banged her fresh meat with my hard tool. Her face was buried in the hay as she clawed at the floor and her big boobs swung into her every time I drove it home.

"Uh, yeah…that's it! Fuck me! Fuck me! Fuck my tight-ass pussy. Fuck my tight ass, you pussy!!" she ordered from below.

I lowered her to the floor and kneeled so I could spear her tight ass. She was crazed and close to coming and continued to rub her own pussy with her hand while I pushed my fat pecker into her tiny asshole. The little pincher opened with some forceful nudging and she moaned loudly as I slid in and out of her butt. She was on her side and I gripped those big, bouncing hooters and lifted one nipple to my mouth, entertained by the thought of these big, milk-filled udders being sucked on in a barn.

Her hand was palm down as her fingers vibrated against her cunt, spreading her own pussy lips slightly with random fingers in a blurry rhythm of devoted masturbation. My cock was balls deep, buried in her asshole, pounding the widening hole and shaking her entire body, making her beautiful tits wobble in a frantic juggle to leap from her chest as if they were trying to jump into her mouth.

Her spasmic hand went supersonic and she began to moan and scream in climactic agony as she came and came from her single-handed rubdown and my hammering cock up her ass. Her shuddering body brought my throbbing meat to an explosive end, releasing a blast of cum inside her rectum before I pulled out and dumped another load of creamy jiz on her quaking cheeks. I smeared the cum up and down her ass crack with the tip of my dick, quickly shoving a gooey helping into her twat.

We collapsed in the hay where we laid for another few minutes before she dashed inside the house pulling her shirt on and organizing her shorts. It wasn't until the rooster crowed the next morning that I realized I'd fallen asleep. Stepping outside the barn as the farmer brought me a fresh cup of coffee, we exchanged greetings and I thanked him for his hospitality and the cup of coffee his daughter had brought me the night before.

"Daughter?" the old timer questioned. "Aint' never had no daughters. That was my wife."

CONFESSIONS

Of A Big-Tit Slut!

FEATURING CRYSTAL

I was booked for a photo shoot. Usually, it's just "another day at the office." But this was different. They guy Paul was really great to work with. I was having as much fun with him off the set, as I was on. He had a great personality, as well as a great cock.

We shot stills all day. As much fun as that is, it's a lot of posing and not so much actual fucking. That's one of the things that I love about video; I get to really get fucked. After we had finished up all the magazine layouts, the photographer asked me if I'd like to shoot a sort video. This was music to my ears. After posing for the past four hours, my pussy needed a good pounding so I could get some relief. When I looked over at Paul, I could tell he was feeling the same way. He hadn't cum yet either. His cock immediately jumped to attention.

The photographer got the set ready and told us that we could basically do whatever we wanted. That being said, Paul took charge right away. He first stood back and told me to take my tits out and play with them. My pussy was dripping cream already, but I did as he instructed.

I eased my boobs out of my tight top and lifted one to my mouth. My tongue slipped out and began lightly licking around my pert nipple. It felt so hot to be doing that as per his instructions, knowing that it was going to lead to my getting a good fucking.

After a few minutes his cock was hard as steel. He moved to me and laid me back onto the bed. He dove, face first between my spread thighs. His tongue quickly found my slippery gasp and plunged in. He fucked me with it for a few strokes and then began flicking my clit on each outstroke.

My head was beginning to get cloudy as the first wave of orgasms overtook me. My knees were wrapped tightly around his head as my hips drove up and over his pistoning tongue. After my body quit shaking, he eased my thighs apart once again and placed the bulbous head of his throb

bing meat to my craving honey pit.

With very little effort, my swollen lips parted to allow him complete entry. They sucked in his thick shaft, until it was totally engulfed in my hot cunt. He pulled back and dramatically slammed back in, taking my breath away.

He pushed my knees back next to my ears, so that my sex was wide open and fully exposed for his meaty cock. He pulled slowly out and then plunged back in again and again until I was a blithering idiot from the shear animal pleasure he was giving me.

"Fuck me harder!" I screamed, "I need to feel every single inch of your monster cock. Harder! Harder!"

He didn't disappoint me, as his balls slapped my ass, making a smacking sound on every stroke. My twat was soaked allowing him, no, begging for all the cock-meat he had. I closed my eyes as the barrage continued, picking up steam, until I nearly blacked out from the pleasure.

My pussy started cumming one after another. I could feel it tightening around Paul's love-pump. His meat was swollen even thicker than it had been, stretching the walls of my dirty hole.

After a few final thrusts he pulled free and climbed up to straddle my torso. His cock jumped between my soft fun-bags. I pushed them together to surround his meat like a hotdog; just as it began spewing it's man mustard. The cream shot up and splashed under my chin. My deep cleavage was quickly filled up as shots blasted from his piss hole.

As the last few drops dripped out and his meat began to shrink, I brought it to my mouth and sucked it in. The last couple sweet drops flowed down my throat. He pulled free with a "plop". I brought both cream covered nipples to my mouth and sucked them clean. What was left puddle in my cleavage, I used my fingers to scoop up and swallow every delicious drop.

Not only did we get some great pictures, but I also got a bunch of great orgasms.

THE NEWS RACK

ALL THE NEWS WITH TITS

By Steve Nelson, Editor-in-Chief of Adult Industry News (AINews.com)

GENT MAGAZINE • NOVEMBER ISSUE #140

TIT BITS

What a month! I gave a girl a place to stay, nearly got robbed by her, found a buddy's laptop in her cache of stolen stuff, threw her out, and got a restraining order against her when she threatened to hire hit men - and she didn't even have tits!

ELIZABETH STARR RELEASE PARTY!

The highlight of this month was the release party Elizabeth Starr threw at a local club in Hollywood. The club was decorated with Starr Productions movie posters and several big Starr Productions logos. If you arrived once the party was going you would think the room was decorated with balloons until you realized there were a lot of girls there with really big tits!

The new Starr Productions release, "Rock N Porn", stars mega-mammed babes Summer Cummings, Puma Swede, Kianna Dior, Elizabeth Starr, Summer Sinn and Alicia DiMarco. The Original Tommy Gunn has a nice sex scene with Summer Sinn, and live rock performances are included. Dino Cazares of Fear Factory/Divine Heresy, Tony Campos of Static X, Pretty Boy Floyd, Enuff Z'Nuff, JB Frank of Kingdom Come, Joey Image of the Misfits, Stacy Starr of the Zeros were all in the movie with guest appearances by adult stars Kitten Natividad, TJ Hart, and Jackie Moore.

Rock N Porn has behind the scenes party footage, interviews, a good dose of rock music and hardcore sex. The mix of rock and porn aren't new, but still a good blend. Elizabeth says, "At Starr Productions we don't just rock, we fuck n' roll!"

This was a special promotional party and concert specifically for Starr's new release "Rock N' Porn" and they invited as many people from the rock scene as from the adult industry. Recording artists Pretty Boy Floyd, who appear in Starr's movie, took the stage and performed for the crowd.

The party was a load of fun! Alicia DiMarco flew in from Florida just for the party. She looked great in spite of jet lag - but then, she always does. When Summer Cummings walked in and saw my camera she immediately pulled out her hefty hooters for pictures. She's also proof that a girl can have brains as big as her boobs. Summer is one smart cookie. She's articulate, sweet, and has an endearing smile.

I was delighted to see Kianna Dior walk in. I hadn't seen her for years. And Crystal Storm (who stresses she is now called Crystal Ashley Storm) walks in dressed in mostly leather with her butt half showing in chaps. I hadn't seen Crystal since she was signing at the PAW booth at the AVN AEE last January. (Look for more PAW events - "Protecting Adult Welfare" - listed on Adult Industry News (AINews.com) throughout the year.)

Crystal is always a delight to see with a twinkle in her eye and a captivating smile. She is a total package with big soft dream blimps that mash against your chest when she gives you a hug. I hope I see her again soon!

The red carpet on the sidewalk in front of the club was a panic with Kandi Cox and Summer Cummings pulling their massive tits out on the corner of Hollywood and Vine. I thought cars would be crashing into each other and police helicopters would spotlight the crowd gathered to gawk, but being we were in Hollywood it appears it was business as usual.

Of course this was a photographer's paradise with all the top-shelf boobage here. Summer and Elizabeth took pictures with the band, Pretty Boy Floyd, providing lots of gratuitous boobs in the face. Awesome perks come your way as a musician!

I got to take a few pictures of Taimie from Faster Pussycat with Savannah Jane who arrived in a dress that she easily could pull her oompas out of. And the bass player from the Scorpions was there for some shots too.

GALAXY
Starr
peeps

Crystal Ashley Storm, Kandi Cox and Elizabeth Starr all did a nice grope for the camera. Amid flashbulbs and whoops they hammed it up by graciously grabbing each other for the clan of cameras gathered around them.

At one point Kandi and Liz accosted a party guest by straddling him and bouncing up and down in mock fucking. What a treat since Kandi wasn't wearing underwear and the view of her straddling this guy's face must have been heavenly! Then Kandi bludgeons a bald guy with her boobs! He was all smiles as she smacked her sweater stuffers into his face as hard as she could. This girl enjoys using her tits for more than eye candy!

Ron Jeremy arrived late in the evening after having been delayed at the airport. In true Ron fashion he posed for a myriad of pictures with stars and fans alike. Ron always feels obligated to grab every boob in the place!

This party was heaven for me! Most of the girls had boobs bigger than my head. I wish the night didn't have to end. Go look for a copy of "Rock N Porn" wherever you buy your adult movies and get your Rocks off!

MORE TIT BITS!

Cleopatra of the Nile has been putting on parties in the Hollywood area. I've met and interviewed a few girls after meeting them while filming the red carpet. Look for interviews of Hailey Star and Stunning Summer in the future pages of Gent Magazine.

Tiffany Holliday, the Playboy Bunny, was at one of Cleo's parties and wow! She's not allowed by contract to shoot for anyone but Playboy, but said I could mention her here. She is incredibly sweet and down to earth as well as a total knockout! Great rack too!

Kitty Lee now has her own company "KL Productions" and is shooting. On her new website you will be able to buy clips or whole movies and she will be selling other girl's stuff as well so they can make money too. Kitty says she eventually wants to have her own magazine.

Girls are even starting to send me pictures of themselves that they take in the shower with their cell phones - like a delightful Kiwi named Lake Russell who I met at a late-night Grindhouse event just did. Lake was attending the screening at the Beverly Theater (close to Fairfax and Beverly in Los Angeles) with Herschel Savage who, with Cara Lott, spoke at the beginning of the event. They were in the feature, which was put together from lost reels of film discovered in the ceiling of the theater during renovation.

The show was great too. In addition to classic XXX movies on the silver screen I got a double blow job in the theater from columnist and San Francisco editor Rebecca Anderson and Cara Lott when the lights went down.

It's nice to see a theater showing movies from the "Golden Age" of porn. There will be more screenings so look for the press releases about the next showing on Adult Industry News (AINews.com).

And here's a news flash: Candy Manson got another boob job and is now fucking HUGE! She's like TWICE as big as she was! I'm trying to get in touch with her to bring you an update. Gotta LOVE that girl!

KITTI LYNXXX

Kitti Lynxxx is a girl with classic beauty reminiscent of a 50's pinup glamour model, and boobs like she's out of a Russ Meyer film. She has a flaming red mane of curls cascading past her shoulders and creamy skin that makes you just want to grab her! She's 5'8" tall and measures 36E-26-36 of soft, toned girl-flesh.

A graduate of the Pure Talent School of Dance, she's won numerous awards with "Exotic Performer of the Year - Overall Champion" being her favorite. I took a look at her schedule that she keeps updated on her website and see she dances all around the USA, so watch for her at your local club.

As a feature dancer Kitti has over 23 high energy-shows that keep a crowd waiting to see what she'll do next. Kitti's feature shows include all kinds props and games for the fans to enjoy. Kitti travels in her own 30 foot mobile home with all her costumes, props and equipment which is why her shows have such a variety of themes.

Kitti is from Boston, she's a Boston Red Sox fan, and rides a Harley Davidson. Check out her website, KittiLynxxx.com. She answers all her own email. Her site also has a store where she sells bras, panties, shoes and videos too.

She's appeared on the Howard Stern Show, Travel Channel, the Ricki Lake Show, Discovery Channel, KSEX Radio, Adult Industry News and AdultFYI.com just to name a few, as well as a dozen or so DVDs that are already out and she's on about 20 websites featuring pictures and movies of her in hardcore action.

I first met Kitti when she shot her set for Gent Magazine during the week of the Exotic Dancer Expo at the end of August in 2007. She's cheerful, down to earth and charmingly sexy in person. I got to talk with her before Gent editor and photographer Anton Fury shot her and I asked her a little bit about how she got started.

She said she started feature dancing in 2004 but has been winning titles in pageants since 2002. Another producer contacted her at the Exotic Dancer Expo in 2004 and talked her into doing porn. "Talked you into it?" I asked.

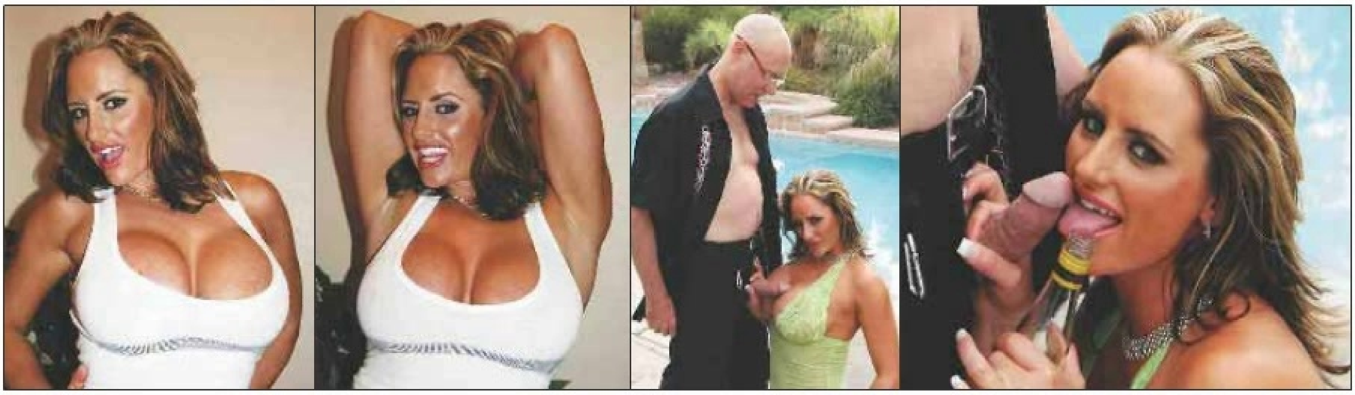
"It was something I was already thinking about," she says. She explains that before she was a dancer she had been a swinger for 7 years, so porn wasn't that much of a stretch. Kitti likes working - and playing - with both men and women.

At the Expo Kitti was signing at both Lisa Ann's Talent Management and Lyken Entertainment's booth.

Two weeks before I met her she was in Los Angeles for the first time. She went to Santa Monica Beach and walked her puppies. ("Puppies" HA! She meant her little dogs but I immediately started drooling over her tits like Pavlov was ringing a bell.) See her pets on her MySpace page as well as a bunch of shots of Kitti wearing as little as MySpace allows.

I next ran into Kitti when she was shooting a scene for Brazzers.com (Search "DLP Films Kitti Lynxxx" on AINews.com) and she told me a little about winning "Overall Champion Best Show and Hottest Stage Personality" at the 2008 Exotic Performer of the Year at The Gallery in Desoto, IL. She said she won for her marionette show "Tito the Libido Bandito". There's just something about a puppet that shaves her pubes and spanks her to the song Tequila. No joke, I've GOT to go see her show now, she seems like she causes a panic! Also she was just awarded Miss Nude World Entertainer of the Year! Start looking for her, guys!

To get her to a club near you PLEAD with the management to call either Lykens Entertainment (Ken) 863-815-0935 ken@lykensentertainment.com or Universal Entertainment (Eleanor) 732-568-9697 universalenter04@aol.com and book Kitti Lynxxx! Then write me here and tell me how crazy she got! To book Kitti for scenes contact Lisa Ann's Talent Management at 818-501-2240 or LisaAnn@LisaAnnsTalentManagement.com. Fans can email Kitti at KittiLynxxx@Hotmail.com or MySpace.com/KittiLynxxx



NIKKI JACKSON

I first met Nikki Jackson when she came over to talk with Sunny Day who was signing at the Adult Industry News booth at the AVN AEE in 2007. We were there with a gorgeous gaggle of Gent girls who we shared our booth with. Nikki reminded me of all the details when I saw her next in Las Vegas, August of last year. She has a memory as good as her rack is big.

She now has shoulder length, highlighted hair and sports a 38DD-22-34 figure and tantalizingly mentions she wants to go bigger - there may be a boob job on the horizon. Her most remarkable feature - other than her awesome pair of pontoons - are a set of really white teeth!

Her mouth can be really naughty too. Her website, NikkiJackson.com, sports a lot of BJ, squirt and facial action. Formerly a feature dancer Nikki has quit dancing and has dedicated herself to building a kick-ass website.

From Indianapolis, Indiana, Nikki is now local to Las Vegas, but there's more than just Las Vegas girls featured on her website. There's LOTS of girl/girl action with girls from all around. The large video section has scenes with Nikki and other stars like Cindy Pucci and Tyler Stevens. Nikki's also worked with Rebecca Ryan, Naughty Allie, Naughty Julie and is shooting in HD wide screen. Go check out her private cam shows, custom videos, phone sex and fetish stuff. She has 600 archived cam shows of everything she's done. Her site is a fuckin' sexual smorgasbord!

Lately Nikki has been working on nothing but her website. She says, "It's really awesome! Every gallery has a downloadable zip file, mega pix and slide show! There's also two spy cams 24/7 and special cam shows for members only." Nikki's members get to see her perform hardcore sex! Check out her daily blog and photos.

Nikki has shot numerous magazine layouts including Busty Beauties, Stacked, AVN Magazine and of course Gent Magazine. Search the pages of Gent each month for more of this smoking hot babe, and have a look at her website at NikkiJackson.com.

GENT® BOOB TUBE

BLACK WIDOW

STARRING: Stormy Daniels, Carmel Moore, Barrett Blade, Kayla Carrera and Cheyne Collins

DIRECTED BY: Michael Raven RUNNING TIME: 97 min.
AVAILABLE FROM: Wicked Pictures

DDD-CUP: Smokin' Hot DD-CUP: Serves your cock well
D-CUP: Don't even bother

23231

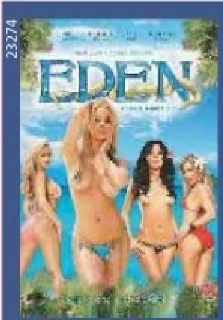
Stormy is making a big name for herself in this business. Taking over the heavy mantle that Jenna left behind is no easy task, but this Louisiana hottie is handling it with ease. This plot heavy fuck flick is worth watching without the remote nearby. The sex is hot but the acting is also pretty damn good. In another stellar Wicked release, Stormy plays a young housewife who is hell bent on getting what she wants. After spending three years of blissful cum blasting years with her wealthy hubby, Stormy feels that it's time for him to go and leave his money behind. Randy Spears is this black widow's target and Stormy holds nothing back to ensnare him in her web. This includes catering to every single one of is sexual desires. Randy and Stormy share a kinky scene together. Stormy's ample titties are given their proper attention and even take the brunt of Spears' cumshot. Randy gets involved in some extra curricular pussy with Carmel Moore as Stormy watches from the sidelines. Carmel looks smoking hot in her pink outfit and Stormy enjoys the show, even though she doesn't get involved. A hot protein deposit is made into Carmel's mouth. Stormy starts to poison him by slipping pills into the drinks she prepares. But Randy catches on to her after spotting her fucking her paramour Barrett Blade. Stormy and Barrett smolder on screen together. The room is dark so the action feels a little bit nastier. Watching Stormy ride a cock in reverse cowgirl is a thing of beauty, try not to weep in appreciation. Barrett whips off the condom to give Stormy a taste of his nut sauce. There's also some more betrayal as Stormy's friend Kayla lets Randy also know that his wife is trying to kill him. Kayla has her own scene with Marco that is bound to make you messy. The little red string bikini is hot outfit that you'll wish she keeps on as Marco takes his time and gets this young cutie to come for him. If you are looking for a hot movie to watch with your girl, this movie has it all. From the great camerawork, interesting story, good acting and of course intense fucking from some of porn's hottest stars. DD-CUP

EDEN

STARRING: Carmen Luvana, Courtney Cummz, Bree Olson, Ava Rose, Evan Valentine and Evan Stone

DIRECTED BY: Daniel Dakota RUNNING TIME: 215 min.
AVAILABLE FROM: Adam and Eve

DDD-CUP: Smokin' Hot DD-CUP: Serves your cock well
D-CUP: Don't even bother



23274

These ten stroke-worthy fuck scenes are almost too much and may cause sensory overload. Count them off: Carmen Luvana, Bree Olson, Ava Rose, and Courtney Cummz. All four are superstars in the porn world and daily stars in my daydream fantasies. Eden is kind of a Fantasy Island meets Lost (with sexy results) with lots and lots of cum dumping and anal reaming in the gorgeous locale of Hawaii to round out the fun. Xavier Towers is the Mr. Roark here and he has Evan Valentine and Evan Stone assisting him in realizing the guest's fantasies. Carmen is first up as Jean Val Jean pounds her underneath a tree after some beautifully shot horseback riding. Just when things get hot, in walks Courtney Cumms to make this scene into a volcanic threesome. Carmen's perfect ass gets a cumshot and Courtney licks it off. Wow. Eden keeps up the heat with some great one-on-one screwing. Evan Valentine spreads for Tommy Gunn in a sandy situation. Bree and Ava rub each other's pussies raw on the edge of a crystal clear pool. Out on the open water, Carmen and Jerry fuck each other stupid on the deck of a boat under the bright sunshine. Bree finds herself on the receiving end of Evan Stone's dick when the action returns to the mainland. Evan Stone takes Ava diving with a surprisingly good CGI shark almost attacking them. Evan Valentine is so turned on by the shark story she fucks Evan Stone on the beach. Carmen and Courtney meet up for a tasty girl/girl scene. If this scene lasted any longer my cock would have broken off in my hand. Bree Olson gets double dicked by Tommy and Jean in the second to last scene. Bree gets fucked in the ass, but never gets fully double penetrated. A decent double cumshot splashes into the blonde's mug to cap the action. Eden is a solid movie from front to back, with some story elements that don't always work, but the scenery: from the mountains, the ocean, the beaches, the water to the stunning cast, is top fucking notch. Watch for this one come award season. DD-CUP
